

## The University of Mississippi

### Address

Summary/Purpose: The purpose of this policy is to state the approved campus address.

The University administration approved the mandatory use of "Post Office Box 1848" in all campus addresses. This expedites the delivery of campus mail and assists Campus Mail Services in their objective of same day delivery. The post office box must be included in the address directly above the city, state and zip code. The new zip code is "38677-1848". The department's name must also be included in the address.
