

Nonresident Fee Waiver for Employees and Spouses of Employees

Summary/Purpose: An explanation is given of the qualifications needed to receive a waiver of the nonresident fee for employees and their spouses.

Full-time employees and their spouses are eligible for a waiver of the nonresident fee. Part-time employees, employed one-half time or more, and their spouses, qualify for this waiver only on the course work allowed under the Further Education policy for part-time employees (one course not to exceed four semester hours during each regular semester and each summer term). Spouses must obtain a fee waiver from the Department of Human Resources. The employee must be employed as of the first date of the term for which the benefit is provided.
