

Approval to Alter University Buildings

Summary/Purpose: Written approval from the Department of Facilities Planning must be obtained before any University building may be altered.

Anyone wishing to alter, add to, or modify a University building(s) on the Oxford campus of the University of Mississippi must receive written approval from the Department of Facilities Planning before any project related activity may begin. All review and approval procedures set forth in the Department of Facilities Planning Instructions to Design Professionals manual must be followed. This includes all buildings on University campuses, or maintained by the University or any of its affiliates including, but not limited to, Academic Buildings, Auxiliary Buildings, Athletic Buildings, Fraternity Houses, Sorority Houses, Service Buildings, Student Housing Buildings, etc.
