

## Approval of Interior Renovations/Modifications

**Summary/Purpose:** Written approval from the Department of Facilities Planning must be obtained before any interior renovations/modifications may be made to University building(s).

All new interior renovations/modifications including window treatments, painting, flooring, and furniture in University buildings at any University campus must first receive written approval by the Department of Facilities Planning. This includes all buildings on University campuses, or those maintained by the University or any of its affiliates including, but not limited to, Academic Buildings, Auxiliary Buildings, Athletic Buildings, Fraternity Houses, Sorority Houses, Service Buildings, Student Housing Buildings, etc.
