

The University of Mississippi

CABLE TV

Summary/Purpose: This policy explains and clarifies Student Housing's expectations and resources regarding cable television access in the residence halls.

In accordance with FCC regulations and our cable contract, the splicing or splitting of cable to other rooms is not permitted. The University will seek appropriate action and restitution due to the splicing of cable by students. FCC regulations dictate that fines of up to \$1000 may be assessed for each occurrence. Please be aware that radio and TV antennas and satellite dishes are not allowed.
