**Application Deadlines** • Undergraduate and graduate applicants should submit all required admission materials well in advance of the start of the term in which enrollment is sought. Nonresidents of Mississippi applying for first-year undergraduate admission for the summer or fall terms should mail complete application materials no later than April 1. Applications postmarked after April 1 will be evaluated on a space-available basis, with special consideration afforded applicants who stand to make exceptional scholastic and/or co-curricular contributions to the campus community.

Applications may be accepted as early as one year before the start of the desired enrollment term. It may not be possible to evaluate an application that is received later than 20 days prior to the start of the term. Students who apply within 20 days of the start of the term may be required, if admitted, to register after classes have begun and to pay associated late fees.

**Application Fees** • Mississippi residents must pay a nonrefundable \$35 application fee and nonresidents of Mississippi must pay a \$40 fee at the time of application. The fee is payable by credit card with the online application. Students who have received a waiver of the charge for taking the ACT or SAT may qualify for a waiver of the UM application fee by providing a copy of the test fee waiver.

**Off-campus Sites** • The University of Mississippi offers undergraduate classes at various locations including Tupelo, Southaven, Jackson, and other sites. Degree credit earned at these

locations will be treated as residence credit and appear on the student's permanent academic record. Students at off-campus sites must meet regular admission requirements and be accepted for admission to the University.

**Immunization Requirement** ● The Board of Trustees of State Institutions of Higher Learning, in cooperation with the Mississippi State Board of Health, requires all entering students born after January 1, 1957, to submit proof of two immunizations for measles and one for rubella prior to registration. Immunizations must be given after one year of age. Forms for documenting immunizations or establishing an exemption to the requirement are available from the Student Health Service office and will be sent to students upon admission.
