

The University of Mississippi

SMOKING

Purpose/Summary: This policy describes Student Housing's expectations regarding smoking and tobacco use. Smoking or tobacco use is not permitted inside any on-campus residence under any circumstances.

Smoking is prohibited at all times, and at all locations of the University of Mississippi Oxford campus, including University-owned facilities, properties, and grounds. As a result, all residence halls and apartments, including the areas around entryways, are smoke-free. This means that smoking is not permitted in buildings at any time. Evidence of smoking in a student room is sufficient for a student to be held accountable for violating this policy.

Students found in violation of this policy will be fined \$25 for each violation, and disciplinary action will be taken. For complete information about policy enforcement, go to www.olemiss.edu/smokefree.
