

Approval of New Projects

Summary/Purpose: Written approval from the Department of Facilities Planning must be obtained for any University construction, renovation, and/or landscaping projects.

All new construction, renovation, and landscaping projects at the Oxford campus of the University of Mississippi must receive written approval from the Department of Facilities Planning before any project related activity may begin. This includes all buildings and grounds at the Oxford campus, or those maintained by the University or any of its affiliates including, but not limited to, Academic Buildings, Auxiliary Buildings, Athletic Buildings, Fraternity Houses, Sorority Houses, Service Buildings, Student Housing Buildings, etc.
