

## **Walkways, Hallways, and Breezeways**

**Summary/Purpose:** This policy describes appropriate storage guidelines for items in apartment walkways, hallways and breezeways. Additionally, items permissible for storage are listed.

Space must be open along the walkways, hallways, and breezeways in the Village, Campus Walk, and Northgate for access in case of a fire. Items may not be stored under stairwells. If items are found in these areas, they will be removed at the owner's expense. The Department of Student Housing and Residence Life will not be held liable for items left in these areas.

In the Village, the only items permitted outside the doorway are a small shoe rack and two potted plants (or a small shoe rack, one potted plant, and a small covered barbecue grill). Grills must be kept clean in order not to attract insects and animals. The University of Mississippi assumes no liability for damage or loss of any personal property.
