

Payment of Tuition and Expenses

Summary/Purpose: The University of Mississippi Bursar's policy on billing dates and service fees for tuition and expenses.

The Office of the Bursar emails statements monthly on accounts that have outstanding balances. These statements are emailed after month end with a due date of the 15th of the next month. The billing and due dates for tuition and fees (housing, meal plan, special course fees, international student fees/insurance, and registration fees) occur on the following dates (or the previous working day if the due date falls on a weekend or holiday):

Enrollment Period	Billing Date	Due Date
Fall Semester (including 1 st Fall & 2 nd Fall)	July 31	August 15
Wintersession, Spring Semester (including 1 st Spring & 2 nd Spring)	November 30	December 15
May Intersession, Full Summer, & 1 st Summer	April 30	May 15
2 nd Summer	May 31	June 15
August Intersession	May 31	July 15

If payment is not received by the due date, a monthly 1.5 percent service fee will be assessed on the unpaid balance of tuition and fees and other outstanding charges. Partial payments may be made during the enrollment period; however, the account must be current in order to register for future enrollment periods. "Current" means that tuition and fees for the current and previous enrollment periods are paid in full and all other charges are less than 30 days old. The University reserves the right to cancel a student's registration for nonpayment of tuition and fees for a previous enrollment period.

The begin date for the calculation of the 1.5 percent service fee is the due date regardless of the date that a student obtains a schedule. For example, if a student registers for the fall semester on August 25, and payment is not made by August 15, the student account is subject to a 1.5 percent service fee on the unpaid tuition and fees.
