

Registration Fee

Summary/Purpose: The University of Mississippi Bursar's policy on applying registration fees to student accounts.

The University's registration process consists of three phases. You may register for courses during any of the phases; however, a nonrefundable registration fee of \$50 for Phase 2 registration or \$100 for Phase 3 registration will be assessed. As an incentive for students who register early, the University will waive the registration fee for students who register during Phase 1. The fee is also waived if you are a newly admitted student registering at Ole Miss for the first time. Graduate students are only assessed the registration fee if registering in Phase 3. The dates for Phase 1, 2, and 3 registration periods can be found under Academic Calendars and the Course Schedule Information links at the following address <https://registrar.olemiss.edu>.
